**EDUCATION:**

HIGH SCHOOL:

I Graduated from Unionville High School, located in Unionville, PA in the spring of 2004. I played baseball for Unionville high School all four years were I was co-captain my senior year.

COLLEGE:

I have graduated with a Bachelors degree in Surveying Engineering at Penn State University. During my four years of college I have played varsity baseball for three of them. During those three years I was the captain of the team for the last two seasons. In my junior and senior years, I held an executive position on the "surveying society's board".
